

Colorado XPonential 2018 Pavilion

Join the Colorado Pavilion at XPonential, April 30 – May 3 2018, in Denver at the Colorado Convention Center, highlighting the unique offerings our state brings the Unmanned Systems Industry!

Colorado has secured an Anchor Booth at XPonential 2018 to better attract visitors to see YOUR company and the products & services YOU offer!

The Colorado Anchor Pavilion is strategically located next to the café in the Main Center Aisle for maximum exposure.

Scheduled Colorado VIP visits, unique UAS capabilities, giveaways and drone racing beside our Anchor location will ensure steady traffic to prospects for your company.

*Prices are based on the AUVSI member shell booth scheme including floorspace, carpet, power, furniture and a Colorado common theme for all the companies that will make it the **biggest and best booth on the floor.***

- 5x10 = \$2450
- 10x10 = \$5620
- 10x20 = \$9846

Join the variety of companies and organizations that have already committed to showing that Colorado is the BEST place to do Unmanned Systems business in the nation

Contact UAS Colorado to secure your space today @719-208-9244. Your business is important in highlighting the health and growth of our industry in Colorado!
