# Geophysics, Remote Sensing, and Autonomous Mapping Conference

Fort Collins Hilton, Fort Collins, CO

## Learn

about the latest technology.

## Network

with industry leaders.

## Enhance

your skills and know-how.

*Resource Exploration & Extraction • Munitions Response & Landmines  
 Environmental Engineering & Infrastructure • Agriculture*

## Get Recognized, Sponsor UAS Geoscience 2024!

As a sponsor of **UAS Geoscience 2024**, your firm will **enjoy unparalleled access to industry leaders and innovative decision makers** shaping the future of geoscientific mapping of the surface and subsurface. Present your products and solutions to specialists, engineers, scientists, and managers working in the rapidly evolving market sectors of Environmental

Engineering and Infrastructure, Resource Exploration and Extraction, Munitions Response and Landmines, and Agriculture. This inaugural conference will inform those seeking a better understanding of the earth about the significant benefits of geophysical and remote sensing autonomous mapping using an unoccupied aerial system (UAS).

**This is the ideal platform to showcase your technologies and solutions, while demonstrating your commitment to innovation in the dynamic field of UAS Geoscience.**
